

Agile Project Manager

Are you ready to face new and interesting challenges every day? Are you ready to join a fast-growing start-up? Do you want to improve the life of people?

We are looking for a creative and energetic **Agile Project Manager!**

IBISA's mission is to unlock access to insurance globally, especially in agriculture, and for those who need it most. We are building the future of insurance and innovating in products and distribution models thanks to using cutting edge technologies efficiently.

Our motto is 'Simple and Efficient'.

IBISA's team is very diverse and from different countries and backgrounds. We strive to create an entrepreneurial work environment where we bring out the absolute best in each other. We push ourselves to improve and grow constantly.

Communication, transparency and honesty are key in our culture.

ROLE DESCRIPTION

Your Job: Agile Project Manager

Location: Luxembourg (with Home Office)

Experience: min. 5 years

IBISA is a start-up, so everyone has to be hands on, but you will focus on:

- Participate to the project management of our deployments in different countries with different clients.
- Manage the relationship with our local partners, mainly in Asia and Africa (French and English). This includes understanding their needs and being able to formalize them.
- Coordinate and assist internal teams (sales, software development, Earth Observation, actuarial, etc.)
- Work on application, proposal and technical deliverables required by our institutional and governmental partners. This covers all type of deliverables and reporting: technical (describe technical solutions, user needs, etc.), financial (business plan, projections), organisational (planning, etc.), or, most of the time, all at the same time.
-

All our projects and activities are done in Lean Startup (Agile) methodology.

REQUIREMENTS

Do you have ability to:

- Understand and improve client requirements,
- Hold team members accountable for goals, and take responsibility,
- Plan, schedule, coordinate, and organize an interdisciplinary team,
- Consolidate in a deliverable the proposition and work of multiple services,
- Write and deliver on time proposals and reporting

On top of it, you do not have problems working in English, or working in Luxembourg

You like to travel, especially to far and remote countries.

You are autonomous and a bit of an entrepreneur.

Then you have what we need!
